## **Board of Trustees**

*Policies BA, BB series, BD series, and BE series*

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected and serve three-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Ms. Laura Crawford, President
- Mr. Justin Wiese, Vice-President
- Dr. Debby Hewitt, Secretary
- Mr. Keith Helpert
- Mr. Kevin Kenny
- Mr. Jabo Rubin
- Mr. Jeff Strain

The board usually meets the third Monday of each month at 6:00 p.m. at Robinson ISD Administration Building. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district Web site and at Robinson ISD Administration Building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

# Employment

---

## Equal Employment Opportunity

*Policies DAA, DIA*

Robinson ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination based on sex, including sexual harassment should contact Tim VanCleave, the district Title IX coordinator. Employees with questions or concerns about discrimination on the basis of a disability should contact David Wrzesinski, the district ADA/Section 504 coordinator. Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

## Job Vacancy Announcements

*Policy DC*

Announcements of job vacancies by position and location are posted on a regular basis and posted on the district's Web site.

## Employment After Retirement

*Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site ([www.trs.texas.gov](http://www.trs.texas.gov)).

## Contract and Noncontract Employment

*Policy DC series*

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-

will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

**Probationary Contracts.** Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed on line or copies will be provided upon request.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

**Paraprofessional and Auxiliary Employees.** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

## **Certification and Licenses**

### *Policies DBA, DF*

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Tim VanCleave in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's

failure to comply with criminal history background checks. Contact Tim VanCleave if you have any questions regarding certification or licensure requirements.

## **Searches and Alcohol and Drug Testing**

*Policy DHE*

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

## **Health Safety Training**

*Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the campus principal.

## **Reassignments**

*Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

## **Workload and Work Schedules**

*Policies DEA, DK, DL*

**Professional Employees.** Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

All non-exempt employees are required to use the district's designated time recording system to record time worked each day for payroll purposes. Employees must record their own time for each workday period, including time away from the campus or work site. Employees are prohibited from recording or reporting time worked for any other employee. Failure to comply with this requirement will be grounds for disciplinary action (which may include termination).

## **Breaks for Expression of Breast Milk**

*Policies DEA, DEAB, DG*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

## **Notification to Parents Regarding Qualifications**

*Policies DK, DBA*

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Administration.

## **Outside Employment and Tutoring**

*Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

## **Performance Evaluation**

*Policy DN series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

## **Employee Involvement**

*Policies BQA, BQB*

At both the campus and district levels, Robinson ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees.

## **Staff Development**

### *Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

# Compensation and Benefits

---

## Salaries, Wages, and Stipends

*Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 19).

All employees will receive written notice of their pay and work schedules at the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact Angela Bettinger for more information about the district's pay schedules or their own pay.

## Paychecks

All employees are paid on the 12<sup>th</sup> of each month (unless the 12<sup>th</sup> falls on a weekend or school holiday). Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

Pay dates for 2016-17 are the following: August 12, September 12, October 12, November 10, December 12, January 12, February 13, March 13, April 12, May 12, June 12, July 12, August 11.

## Automatic Payroll Deposit

RISD requires all employees use direct deposit for payroll compensation. The necessary documents are available on the RISD website. Any changes should be submitted to the Payroll department on or before the 1<sup>st</sup> of the month for which you want the change to be made. You will need to provide either a voided check or a letter from your bank stating the account number,

account type, and routing number. If you have an extenuating circumstance that prevents you from using direct deposit please contact either Angela Bettinger or Stacey Proctor. Contact Angela Bettinger for more information about the automatic payroll deposit service.

## **Payroll Deductions**

### *Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired in this district after March 31, 1986)

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans. Employees also may request payroll deduction for payment of membership dues to professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

## **Overtime Compensation**

### *Policy DEA*

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

**\*\***(Designated nonexempt office personnel will be notified in writing how many preapproved overtime hours they work on a weekly basis without further authorization from their supervisor)

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. on Monday and ends at 11:59 p.m. on Sunday.

**\*\***An automatic 30 minute break for lunch will be calculated daily in TimeClock Plus for all nonexempt employees.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.

- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee shall use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration. An administrator or designated staff member will be responsible to approve all comp time accrual and usage on a weekly basis. This information will be submitted to the Payroll department at Admin for final approval.

## **Travel Expense Reimbursement**

### *Policy DEE*

Before any travel expenses are incurred by an employee, the employee's supervisor and district administration must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Mileage reimbursements (for travel outside of everyday district destinations) must be accompanied by a mileage printout (Rand McNally, Yahoo! Maps, Google Maps are acceptable). Employees must submit original receipts (or copy of original) to be reimbursed for expenses other than mileage. Credit card receipts will not be accepted.

## **Health, Dental, and Life Insurance**

### *Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are regularly scheduled to work at least 10 hours per week
- Variable Hour Employees (Substitutes) who worked an average of 30 hours per week during the previous school year will be offered coverage for the current year

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) and employees who are not contributing TRS members who are regularly scheduled to work less than 10 hours per week, are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each fall. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact Stacey Proctor or Angela Bettinger for more information.

## **Supplemental Insurance Benefits**

*Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs. Premiums for these programs can be paid by payroll deduction.

Employees should contact Angela Bettinger for more information.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

## **Workers' Compensation Insurance**

*Policy CRE*

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to your supervisor and Angela Bettinger. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

\*Note: If you see any physician before reporting the incident, workers' compensation may not cover your expenses.

## **Unemployment Compensation Insurance**

*Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Angela Bettinger.

## **Teacher Retirement**

### *Policy DEG*

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits that work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify your supervisor and Angela Bettinger as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web ([www.trs.texas.gov](http://www.trs.texas.gov)).

## **Extra Duty**

All extra duty hours must be reported in the same month they are earned. All extra duty hours will be submitted through Timeclock Plus with the exception of Homebound. If you are working Homebound hours, please contact Angela Bettinger to set up submission of hours. You will be paid for any hours worked the previous month. Any extra duty submitted for compensation must be outside the exempt staff members regular contract hours or the nonexempt staff members daily work hours that they were notified of in writing at the start of the school year. (see [Time Clock Instructions](#))\*\*

### **\*\*Time Clock Instructions**

A non-exempt staff member should be clocked in during any regular duty, extra duty, or overtime hours. You should clock into the appropriate job code at any such time your duty changes. In order for overtime to be accounted as compensatory time the staff member must be clocked in for recording purposes and the designated campus administrator must approve this time before submitting to payroll. A staff member is NOT required to clock out for lunch. If you are off campus for a personal issue for less than 2 hours you should clock out/in and enter a note as to why you were gone. However, if your absence from duty extends beyond that 2 hours' time period you must be clocked out and take the correct leave time for a minimum of ½ day. At this point, an absence from duty request should be submitted via the specified campus Google form.

If you are working a compensable extra duty, you should be clocked in to the appropriate job code. All staff will submit Extra Duty time via Timeclock Plus.

# Leaves and Absences

---

*Policies DEC, DECA, DECB*

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call Robinson ISD Administration for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half-day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- State personal leave
- State sick leave accumulated before the 1995-96 school year
- Local leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification.

**Medical Certification.** Any employee who is absent more than five days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee’s unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

**Continuation of Health Insurance.** Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

## Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave may be used in the same manner as state sick leave.

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor seven days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

## State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in half-day increments, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

## **Local Leave**

Professional employees shall earn five workdays of paid local leave per school year. All other employees shall earn three workdays of paid local leave per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of 30 workdays.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year. [See DEC(LEGAL)]

## **Sick Leave Pool**

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only state personal leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

## **Family and Medical Leave Act (FMLA)—General Provisions**

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

**Basic Leave Entitlement.** The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee’s child after birth, or placement for adoption or foster care;
- To care for the employee’s spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee’s job.

**Military Family Leave Entitlements.** An eligible employee whose spouse, son, daughter, or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness\*; or (2) a veteran who was discharged or released under condition other than dishonorable at any time during a five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness\*

**\*The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are distinct from the FMLA definition of “serious health condition”.**

**Benefits and Protections.** During FML, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

**Eligibility Requirements.** Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months\*, and if at least 50 employees are employed by the employer within 75 miles.

\*Special hours of service eligibility requirements apply to airline flight crew employees.

**Definition of Serious Health Condition.** A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical

care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

**Use of Leave.** An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

**Substitution of Paid Leave for Unpaid Leave.** Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the district's normal paid leave policies.

**Employee Responsibilities.** Employees must provide 30 days advance notice of the need to take FML-when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

**Employer Responsibilities.** Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

**Unlawful Acts by Employers.** The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or

discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

**Enforcement.** An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

*FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.*

## Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**District Contact.** Employees that require FML or have questions should contact Angela Bettinger for details on eligibility, requirements, and limitations.

## Temporary Disability Leave

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who

cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the superintendent or designee should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

## **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving workers' compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee's regular salary.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the

request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Jury Duty**

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding or jury duty. Employees must submit documentation of their need for leave for court appearances.

## **Other Court Appearances**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

## **Military Leave**

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave for authorized training or duty orders. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the time specified by law to Robinson Administration. In most cases, the length of federal military service cannot exceed five years.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Angela Bettinger for details on eligibility, requirements, and limitations.

# **Employee Relations and Communications**

---

## **Employee Recognition and Appreciation**

Efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in campus newsletters, and through special events and activities.

## **District Communications**

Throughout the school year, newsletters, brochures, fliers, calendars, news releases, and other communication materials are published. These publications offer employees and the community information pertaining to school activities and achievements.

# Complaints and Grievances

---

## *Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

The Board encourages employees to discuss their concerns and complaints through informal conferences with their supervisor, principal, or other appropriate administrator. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

If an informal conference regarding a complaint fails to reach the outcome requested by the employee, he or she may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

The District shall inform employees of this policy.

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Time lines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaints alleging a violation of law by the Superintendent may be made directly to the Board or designee.

In this policy, the terms “complaint” and “grievance” shall have the same meaning. This policy shall apply to all employee complaints, except as provided below.

This policy shall not apply to:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability). [See DIA]
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violations of Title VII. [See DIA]
3. Complaints concerning retaliation relating to discrimination and harassment. [See DIA]
4. Complaints concerning instructional materials. [See EFA]
5. Complaints concerning a commissioned peace officer who is an employee of the District. [See CKE]
6. Complaints arising from the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code. [See DFBB]
7. Complaints arising from the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term. [See DFAA, DFBA, or DFCA, respectively]

Complaint forms and appeal notices may be filed by hand-delivery, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

At Levels One and Two, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

“Days” shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”

“Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process. The employee may designate a representative through written notice to the District at any level of this process. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint. When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Each party shall pay its own costs incurred in the course of the complaint. Complaints under this policy shall be submitted in writing on a form provided by the District. Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint form that is incomplete in any material aspect may be dismissed, but may be refiled with all the required information if the refile is within the designated time for filing a complaint.

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint. If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint. Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the

Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board. The Superintendent or designee shall provide the Board the record of the Level Two complaint. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

## **Discrimination, Harassment, and Retaliation**

### *Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Employees who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the employee should report the complaint directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law.

Retaliation against anyone involved in the complaint process is a violation of District policy.

Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee's employment.

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, gender, national origin, age, disability, or any other basis

prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's performance, environment or employment opportunities.

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

The District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding harassment or discrimination is subject to appropriate discipline.

Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct. An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged

acts. The employee may report the alleged acts to his or her supervisor or campus principal. Alternatively, the employee may report the alleged acts to one of the District officials below.

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX coordinator. The District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Name: Tim VanCleave  
Position: Assistant Superintendent  
Address: 500 West Lyndale Street, Robinson, TX 76706  
Telephone: (254) 662-0194

Reports of discrimination based on disability may be directed to the ADA/Section 504 coordinator. The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: David Wrzesinski  
Position: Director of Special Programs  
Address: 500 West Lyndale Street, Robinson, TX 76706  
Telephone: (254) 662-4621

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation. Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy. The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.

The complainant may have a right to file a complaint with appropriate state or federal agencies. Copies of reports alleging prohibited conduct, investigation reports, and related records shall be maintained by the District for a period of at least three years. [See CPC]

This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices.

## **Harassment of Students**

*Policies DF, DH, FFG, FFH*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited

harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property. Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
  - a. Affects the student's ability to participate in or benefit from an educational program

- or activity, or otherwise adversely affects the student's educational opportunities; or
- b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DF]

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Dating violence occurs when one partner in a dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner.

Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

The District prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

Examples of retaliation include threats, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances, such as negative comments that are justified by a student's performance in the classroom.

In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Alternatively, a student may report prohibited conduct directly to one of the District officials below:

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX coordinator. The District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Name: Tim VanCleave  
Position: Assistant Superintendent  
Address: 500 West Lyndale Street, Robinson, TX 76706  
Telephone: (254) 662-0194

Reports of discrimination based on disability may be directed to the ADA/Section 504 coordinator. The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: David Wrzesinski  
Position: Director of Special Programs  
Address: 500 West Lyndale Street, Robinson, TX 76706  
Telephone: (254) 662-4621

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the

Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation. Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Any District employee who receives notice that a student has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation. If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not

rise to the level of prohibited or unlawful conduct.

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights. Retention of records shall be in accordance with FB(LOCAL) and CPC(LOCAL).

Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District's administrative offices.

## **Reporting Suspected Child Abuse**

*Policies DF, DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to the Texas Abuse Hotline (800-252-5400) or the Robinson Police Department (254-662-0525). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency. In addition, employees must cooperate with investigators of child abuse and neglect. Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at [RISD Plan for Addressing Sexual Abuse of Children](#). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

## **Reporting Crime**

### *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel

action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Technology Resources**

### *Policy CQ*

The district's technology resources, including its networks, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action. Employees with questions about computer use and data management can contact Bryan Fuqua.

## **Personal Use of Electronic Media**

### *Policy DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the district’s computers, network, or equipment.
- The employee shall not use the district’s logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records. [See Policy FL]
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
  - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
  - Copyright law [See Policy CY]
  - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

See *Use of Electronic Media with Students*, below, for regulations on employee communication with students through electronic media.

## **Use of Electronic Media with Students**

### *Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). *Electronic media* also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee’s personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee shall not communicate directly with any student between the hours of 10:00 p.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
  - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
  - Copyright law [See Policy CY]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DF]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

## **Criminal History Background Checks**

### *Policy DBAA*

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

## **Employee Arrests and Convictions**

### *Policy DH*

An employee must notify his or her principal or immediate supervisor within three calendar days of any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of any felony, and any of the other offenses listed below:

- Crimes involving school property or funds
- Crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator
- Crimes that occur wholly or in part on school property or at a school-sponsored activity
- Crimes involving moral turpitude

Moral turpitude includes the following:

- Dishonesty
- Fraud
- Deceit
- Theft
- Misrepresentation
- Deliberate violence
- Base, vile, or depraved acts that are intended to arouse or gratify the sexual desire of the actor
- Crimes involving any felony possession or conspiracy to possess, or any misdemeanor or felony transfer, sale, distribution, or conspiracy to transfer, sell, or distribute any controlled substance

Employees who use or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours may be dismissed. [DH \(Local\)](#) [DI \(Exhibit\)](#)

## **Tobacco Products and E-Cigarette Use**

*Policies DH, FNCD GKA*

This includes all buildings, playground areas, parking facilities, and facilities used for athletics and other activities. Drivers of district-owned vehicles are prohibited from smoking, using tobacco products, or e-cigarettes while inside the vehicle. Notices stating that smoking is prohibited by law and punishable by a fine are displayed in prominent places in all school buildings.

## **Conflict of Interest**

### *Policy DBD*

- A personal financial interest
- A business interest
- Any other obligation or relationship
- Nonschool employment

## **Gifts and Favors**

### *Policy DBD*

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of textbooks, electronic textbooks, instructional materials or technological equipment may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials such as maps or worksheets that convey information to students or contribute to the learning process.

## **Copyrighted Materials**

### *Policy CY*

Employees are expected to comply with the provisions of federal copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). Electronic media, including motion pictures and other audiovisual works, are to be used in the classroom for instructional purposes only. Duplication or backup of computer programs and data must be made within the provisions of the purchase agreement.

## **Associations and Political Activities**

### *Policy DGA*

The district will not directly or indirectly discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

Use of district resources including work time for political activities is prohibited.

## **Charitable Contributions**

### *Policy DG*

The Board or any employee may not directly or indirectly require or coerce an employee to make a contribution to a charitable organization or in response to a fund-raiser. Employees cannot be required to attend a meeting called for the purpose of soliciting charitable contributions. In addition, the Board or any employee may not directly or indirectly require or coerce an employee to refrain from making a contribution to a charitable organization or in response to a fund raiser or attending a meeting called for the purpose of soliciting charitable contributions.

## **Safety**

### *Policy CK series*

The district has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. The safety program includes guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. To prevent or minimize injuries to employees, coworkers, and students and to protect and conserve district equipment, employees must comply with the following requirements:

- Observe all safety rules.
- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

Employees with questions or concerns relating to safety programs and issues can contact Robinson ISD Administration.

## **Possession of Firearms and Weapons**

### *Policies FNCG, GKA*

Employees, visitors, and students, including those with a license to carry a concealed handgun, are prohibited from bringing firearms, knives, clubs or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor or call **Robinson ISD** Police Department immediately.

## **Visitors in the Workplace**

*Policy GKC*

Prominent notices shall be posted at each campus requiring all visitors to first report to the campus administrative office. This shall apply to parents, Board members, volunteers, social service workers, invited speakers, maintenance and repair persons not employed by the District, vendors, representatives of the news media, former students, and any other visitors.

Visits to individual classrooms during instructional time shall be permitted only with the principal's and teacher's approval, and such visits shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment.

Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.

## **Asbestos Management Plan**

*Policy CKA*

The district is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the campus principal's office and is available for inspection during normal business hours.

## **Pest Control Treatment**

*Policies CLB, DI*

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located on the buildings main entrance doors. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written or electronic means. Pest control information sheets are available from campus principals or facility managers upon request.

## **Parent Relations**

All written and oral communications from teachers or other staff to parents must be professional and courteous and always made with the child's best interest at heart. Teachers and other

professionals must always respond promptly to parent communications to them, either in writing or by telephone.

A conference period is provided so that you can schedule meetings with parents at their request or at yours. If you schedule a meeting with a parent, you must inform the principal's office so that we will know to expect the parent to check in. We encourage parents to visit their child's classroom occasionally, but parents must make prior arrangements with you and you must inform the campus administration. Do not allow parents to come directly to your room to pick up a child unless you have received prior specific authorization from the principal.

If for some reason a problem in communication develops between you and a parent, your principal or another administrator will be glad to be present at your conference with the parent, at your request.

Only materials that have been approved by the principal can be sent home with students in their backpacks or otherwise. Do not rely on students to deliver important communications from you to their parents, such as progress reports, report cards, requests for a conference, or concerns about the child's conduct or performance.

# General Procedures

---

## Bad Weather Closing

The district may close schools because of bad weather or emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will use the SchoolMessenger and social media systems (and post a notice on the district's Web site if possible) and notify local radio and television stations:

## Emergencies

*Policies CKC, CKD*

All employees should be familiar with the safety procedures for responding to a medical emergency and the evacuation diagrams posted in their work areas. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

## Purchasing Procedures

*Policy CH*

All requests for purchases must be submitted to the business department (after approved by supervisor) on an official district purchase order (PO) form with the appropriate approval signatures. No purchases, charges, or commitments to buy goods or services for the district can be made without a PO number. The district will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the district's business office. Contact Stacey Proctor for additional information on purchasing procedures.

## Name and Address Changes

It is important that employment records be kept up to date. Employees must notify Robinson Administration if there are any changes or corrections to their name, home address, contact telephone number, marital status, emergency contact, or beneficiary. A change of address Google form is available on the Staff Tools page. This will be submitted to Angela Bettinger for correction.

## **Personnel Records**

*Policy DBA, GBA*

Most district records, including personnel records, are public information and must be released upon request. Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether they have family members
- Personal email address

The choice to not allow public access to this information may be made at any time by submitting a written request to Robinson ISD Administration. New or terminated employees have 14 days after hire or termination to submit a request. Otherwise, personal information will be released to the public.

## **Building Use**

*Policies DGA, GKD*

Employees who wish to use district facilities after school hours must follow established procedures. The campus principal is responsible for scheduling the use of facilities after school hours. Contact the campus principal to request to use school facilities and to obtain information on the fees charged.

# Termination of Employment

---

## Resignations

*Policy DFE*

**Contract Employees.** Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the superintendent. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The superintendent will notify SBEC when an employee resigns and reasonable evidence exists to indicate that the employee has engaged in any of the acts listed in *Reports to Texas Education Agency*.

**Noncontract Employees.** Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to the superintendent at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

## Dismissal or Nonrenewal of Contract Employees

*Policies DFAA, DFAB, DFBA, DFBB, DFD, DFF, DFFA, DFFB, DFFC*

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The time lines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee. Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or whose certification is revoked for misconduct. Information on the time lines and procedures can be found in the DF series policies that are provided to employees or are available on line.

## Dismissal of Noncontract Employees

*Policy DCD*

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic

information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*)

## **Exit Interviews and Procedures**

*Policies DC and CY*

Exit interviews will be scheduled for all employees leaving the district. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property (including intellectual property), and equipment must be returned upon separation from employment.

## **Reports to Texas Education Agency**

*Policy DF*

The dismissal of a certified employee must be reported to the Division of Investigations at TEA whenever the termination is based on a determination that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on district property or at a school-sponsored event

The superintendent is also required to notify TEA when a certified employee resigns and there is evidence the educator engaged in the conduct listed above.

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee has a reported criminal history. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

## **Reports Concerning Court-Ordered Withholding**

The district is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance to the court and the individual receiving the support (Texas Family Code §8.210, 158.211). Notice of the following must be sent to the court and support recipient:

- Termination of employment not later than the seventh day after the date of termination
- Employee's last known address
- Name and address of the employee's new employer, if known

# Student Issues

---

## Equal Educational Opportunities

*Policies FB, FFH*

Robinson ISD does not discriminate on the basis of race, color, religion, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination against students based on sex, including sexual harassment should be directed to Tim VanCleave, the district Title IX coordinator. Questions or concerns about discrimination on the basis of a disability should be directed to David Wrzesinski, the district ADA/Section 504 coordinator. All other questions or concerns relating to discrimination based on any other reasons should be directed to the Superintendent.

## Student Records

*Policy FL*

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus office for assistance.

## Parent and Student Complaints

*Policy FNG*

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling

complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

## **Administering Medication to Students**

*Policy FFAC*

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

## **Dietary Supplements**

*Policies DH, FFAC*

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

## **Psychotropic Drugs**

*Policy FFAC*

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis

- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

## **Student Conduct and Discipline**

*Policies in the FN series and FO series*

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

## **Student Attendance**

*Policy FEB*

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

## **Bullying**

*Policy FFI*

All employees are required to report student complaints of bullying to campus administration. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

The District prohibits bullying as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

Bullying occurs when a student or group of students engages in written or verbal expression or physical conduct that:

1. Will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault,

demands for money, destruction of property, theft of valued possessions, name-calling, rumor spreading, and ostracism.

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee. A report may be made orally or in writing.

Any District employee who receives notice that a student has or may have experienced bullying shall immediately notify the campus principal or designee.

If a report is made orally, the campus principal or designee shall reduce the report to written form.

The campus principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, and if so proceed under that policy instead.

The campus principal or designee shall conduct an appropriate investigation based on the allegations in the report. The campus principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the campus principal or designee shall take additional time if necessary to complete a thorough investigation.

The campus principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred, and send a copy to the Superintendent or designee. If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the District's Student Code of Conduct.

The District may take action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of bullying under this policy.

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

Retention of records shall be in accordance with CPC(LOCAL).

Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District's administrative offices.

## **Hazing**

### *Policy FNCC*

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
